ARYAVEDANT[®]

PUBLIC SCHOOL

Nurturing noble minds (आर्या) through Knowledge (वेद) to its Full extent (अंत)

LOGO MEANING AND IMPORTANCE

The name of the school is in consonance with Nurturing noble minds (Arya) through Knowledge (Veda) to its full extent (Ant). The motto of the school is extremely relevant from the academic, social and futuristic perspective. The motto emphasis on first Awakening the students and then motivate them to Arise and finally Achieve their dreams.

Logo represent bodhi tree which connects us with the roots and serves as a metaphor for the pursuit of knowledge and understanding. Fire represents sparking curiosity and passion in students.

OUR MISSION & VISION

Our mission is to provide a safe, disciplined nurturing environment where students can explore their interests, develop their talents and reach their full potential. We will prepare students to be responsible, engaged citizens who contribute to the global community. We develop students to think critically, communicate effectively and collaborate respectfully, while providing them with the support they need to become successful individuals.

Our vision is to empower students to acquire, demonstrate, articulate and value knowledge and skills that will support them as life-long learners, with the ability to participate and contribute to the global world. The core values of Aryavedant takes inspiration from heritage Vedic intelligence with the modern technology.

Aryavedant Public School stands committed and dedicated to develop values, ethics and personality traits among students so that through them our country may see a bright tomorrow.

Ample opportunities shall be provided to each student in the relevant field of academics, leadership development programs, visual and fine arts, dance, drama, music, sports and educational excursions for a child's holistic development.

Students are divided into 4 Houses to learn about teamwork, fair play, and how to handle success and failure.
